The 2026 ESVM Academy

June 4-6, 2026

Toulouse - France

Centre de Congrès Pierre Baudis

The 2026 ESVM Academy and French Society of Vascular Medicine (SFMV) refresher course

Course Directors

* **Alessandra BURA-RIVIERE**

Dept. of Vascular Medicine, Toulouse University Hospital, France.

* **Tristan MIRAULT**

Dept. of Vascular Medicine, Hôpital Européen Georges-Pompidou, Paris University, France

Faculty

* Marianne BRODMANN, Division of Angiology, Medical University of Graz, Austria

* Christine ESPINOLA-KLEIN, Dept. of Angiology, Centre of Cardiology, University Medical Centre of the Johannes Gutenberg University, Mainz, Germany

* Christian HEISS, Vascular Department, Surrey and Sussex Healthcare NHS Trust, East Surrey Hospital, Redhill, Surrey, United Kingdom

* Menno HUISMAN, The Netherlands

* Juraj MADARIC, Dept. of Cardiology and Angiology, Clinic of Angiology. Comenius University and National Institute of Cardiovascular Diseases. Bratislava, Slovakia.

* Lucia MAZZOLAI, Heart and Vessel Dept, Angiology Division, Lausanne University Hospital, Switzerland.

* Isabelle QUERE, Vascular Diseases Department, University Hospital of Montpellier, France

* Oliver SCHLAGER, Dept. of Medicine II, Division of Angiology, Medical University of Vienna, Austria

* Marie-Antoinette SEVESTRE-PIETRI, Vascular Diseases Department, University Hospital of Amiens, France

* Barbara SUSINI-GARMY, Research Director, Institut des Maladies Métaboliques et Cardio-vasculaires Toulouse, France)

ESVM Young Academy

* Jeanne HERSANT, Vascular diseases Department, University hospital of Angers, France

* Giacomo BUSO, Internal Medicine and Angiology, University hospital of Brescia, Italy

French Young Angiologists (*Club des Jeunes Médecins Vasculaires, SFMV*)

* Judith CATELLA (Lyon, France)

* Thomas DOLLADILLE (Paris, France)

* Marie-Cécile COURTOIS (Paris, France)

* Ysé MOREAU (Montauban, France)

Main Topics

* Peripheral artery disease

* Venous thromboembolism

* Chronic venous disease

* Lymphedema/lipedema

* Antiphospholipid syndrome, genetic thrombophilia

* Workshops : Vascular ultrasound, Venous intervention

The 2026 ESVM Academy

June 4-6, 2026

Toulouse - France

Centre de Congrès Pierre Baudis

The **European Society of Vascular Medicine** (ESVM) organizes with the **French Society of Vascular Medicine** (SFMV) the 3rd meeting of the ESVM Academy Course, **on June 4 to 6, 2026 in Toulouse, France** (Centre de Congrès Pierre Baudis).

This 3-day event, dedicated in priority to European young vascular doctors, will bring together experts from all Europe who will cover different topics :

- Peripheral artery disease
- Chronic Limb threatening ischemia
- Venous thromboembolism
- Chronic venous disease
- Lymphedema/lipedema
- Workshops : Vascular ultrasound, Venous intervention

Don't wait to register and participate to this meeting !

THURSDAY, JUNE 4th, 2026

June 4-6, 2026

Toulouse - France Centre de
Congrès Pierre Baudis

13:30 - 14:00

Arrival and Welcome coffee

14:00 - 15:45

Venous thromboembolism

moderators

L. Mazzolai

O. Sanchez

14:00 Upper limb vein thrombosis: workup and management

M.-A. Sevestre-Pietri

14:20 Asymptomatic pulmonary embolism, subsegmental pulmonary embolism: does it matter?

M. Huisman

14:40 Anticoagulation management in women

A. Bura-Riviere

15:00 Venous recanalization for chronic deep vein thrombosis

O. Schlager

15:20 Discussion

15:45 - 16:15

Coffee break, industry exhibition

16:15 - 18:00

Clinical interactive cases

moderator

T. Mirault

16:15 Thrombosis recurrence and cancer anticoagulation

O. Sanchez

J. Hersant

16:35 Renal failure and direct oral anticoagulation

C. Espinola-Klein

A. Roffe

16:55 VTE and extreme weight

A. Bura-Riviere

T. Dolladille

17:15 Treatment duration and genetic thrombophilia

M. Huisman

P. Santini

17:35 Treatment duration and antiphospholipid syndrome

M.-A. Sevestre-Pietri

J. Catella

18:00 - 18:30

Lecture#1

18:00 Recanalization for pulmonary embolism. Do or do not.... there is no try, Yoda would say. But Olivier SANCHEZ?

O. Sanchez

organized by the SFMV

FRIDAY, JUNE 5th, 2026

June 4-6, 2026

Toulouse - France Centre de
Congrès Pierre Baudis

08:30 - 10:15

Peripheral arterial disease

moderators
C. Espinola-Klein
T. Mirault

08:30 Haemodynamic assessment of PAD

C. Heiss

08:50 Revascularization options for CLTI

M. Brodmann

09:10 Antithrombotics after arterial revascularisation

A. Bura-Riviere

09:30 Management of no option CLTI

J. Madaric

09:50 Discussion

10:15 - 10:45

Coffee break, industry exhibition

10:45 - 12:30

How do I manage...?

moderators
M. Brodmann
A. Bura-Riviere

10:45 Dyslipidemia

C. Espinola-Klein

11:05 Symptomatic carotid stenosis

J. Madaric

11:25 GLP1-RA and SGLT2 inhibitors

T. Mirault

11:45 Physical activity for PAD

L. Mazzolai

12:05 Discussion

12:30 - 13:00

Lecture#2

Cocoa, tea in cardiovascular risk management, as useful as a chocolate teapot?

C. Heiss

13:00 - 14:00

Coffee break, industry exhibition

14:00 - 16:00

Workshop #1 group A

14:00 Supra-aortic trunk and transcranial DUS

**G. Goudot
G. Miceli**

14:00 - 16:00

Workshop #1 group B

14:00 Superficial vein endovenous thermal treatment

T. Dolladille
C. Zehani

14:00 - 16:00

Workshop #1 group C

14:00 Limb artery and Renal artery DUS

J. Hersant
I. Kalaja

16:00 - 16:30

Coffee break, industry exhibition

16:30 - 18:30

Workshop #2 group A

16:30 Supra-aortic trunk and transcranial DUS

G. Goudot
G. Miceli

16:30 - 18:30

Workshop #2 group B

16:30 Superficial vein endovenous thermal treatment

T. Dolladille
C. Zehani

16:30 - 18:30

Workshop #2 group C
